

## Midnight Adventure in Horse Lane

The story of how the Sheffield firemen turned out with an ambulance to hunt burglars last Thursday night was again told to the Magistrates. Engineman Needham and Fireman Matthews were sent round to Horse Lane in consequence of a report that an attempt was being made to break into premises there. Needham saw a man stealing away, and apprehended him. He proved to be Samuel Everall, aged 48, of Birmingham.

Everall who has already been committed for trial on a charge of attempting to break into the premises of Morton and Company, boot and shoe dealers, Horse Lane, was this morning charged with unlawfully entering the neighbouring warehouse of Messrs. Roberts Brothers, drapers. He was sent to the Quarter sessions on this count also.
